All students with a grant award must submit a copy of the grant award letter to NCAD Fees & Grants Office

Note on Additional Costs: Students are expected to meet the cost of additional materials and equipment themselves. These costs may vary depending on the area of study. In some cases a Department Materials Levy is set and used by individual Departments to cover specialist materials/consumables used in studio-based learning environments.

This levy is specific to particular disciplines, set at the discretion of each Department and used in the Departments. Not all Departments operate this levy.

Note on International Fees: For applicants who reside outside the EU, being a holder of an EU/EEA/Swiss Confederation/UK passport does not provide automatic entitlement to the EU rate of fees. Other factors such as, residency, age and educational history are relevant when assessing an individual's fee category. To avail of a fee assessment please contact the Fees and Grants Department.

Non-Payment of Fees

Continuing undergraduate students whose outstanding debt exceeds €600 will not be allowed progress to the next year.

Access to exam results and transcripts will be blocked.

Final Year students will not be allowed to graduate until all fees, charges and fines have been paid.
